1. Introduction

[In-Zone](#) provides a number of sports and squash related online services.

League Zone uses two such modules **Member Zone** and **League Zone**.

Member Zone in its basic form allows members to do the following:

- Update their contact details e.g. name, address, phone number(s) and email address
- Change their password
- Renew their membership (if applicable)

League Zone allows members to do the following:

- At a glance see their position within their box league.
- Enter their match scores
- Email their opponent(s) either individually or as a group
- Text their opponent(s) either individually or as a group
- Find contact details for each of their opponents
- View league statistics
- View previous league periods scores and player positions
- Update personal details

2. How to login

- Visit your host website and click the league zone link to display the following screen
- From the drop down box select your division or league name

[Logout](#) > [My Details](#) >
